

# Schlage mobile credentials with ENGAGE™

## For use with sites using ENGAGE to manage access control

- Every Engage site has three free mobile credential licenses available (deleting an issued ‘free’ license, will make it available again)
- Mobile credentials issued before Sept. 5, 2023 are free until the user gets a new phone, app is deleted, or access rights are modified
- A user/phone can have only one mobile credential
  - To have a mobile credential work across multiple ENGAGE™ sites, manually read it in as you would a card or fob
- Time window on mobile credentials start when credential is issued to a phone, not when ordered.

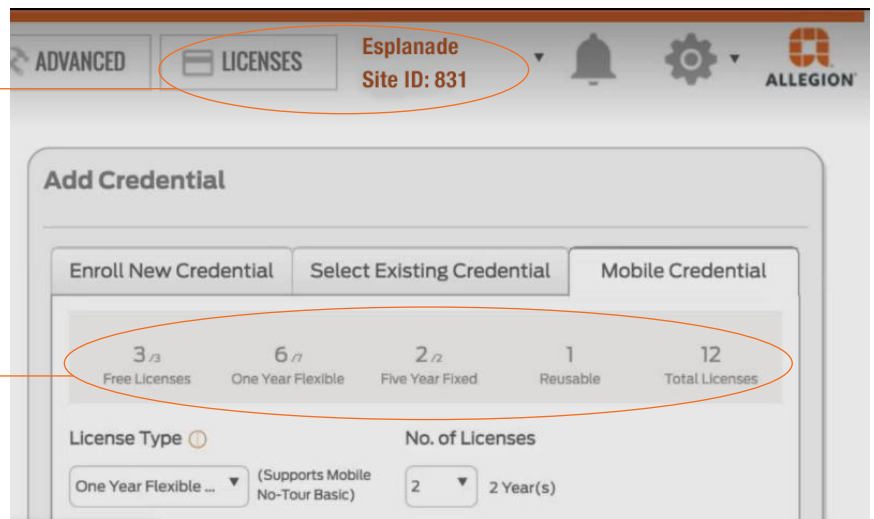

### Part numbers for mobile credentials are:

- SMA-ENGAGE-FIX-5YR (List Price: \$10; valid for five years on a single phone)
- SMA-ENGAGE-FLEX-1YR (List Price: \$6; may be deleted and reissued as needed; required for No-Tour.)

### Ordering mobile credentials

To order from wholesale you will need the following information:

- 1) Part Number
- 2) Quantity (10 minimum)
- 3) The end-user’s ENGAGE™ **Site ID** (located in header)
  - No need to define Bit Format, Facility Code, ID numbers (as needed when ordering traditional cards and fobs). These get defined when mobile credential is issued using Engage site.
  - Once the order is received by Allegion, the mobile credentials get deposited into the ENGAGE™ site within a few days.

### About Allegion

Allegion (NYSE: ALLE) is a global pioneer in seamless access, with leading brands like CISA®, Interflex®, LCN®, Schlage®, SimonsVoss® and Von Duprin®.
