# Deadbolt solutions

Featuring drive-in deadbolts for hollow metal doors

## Overview

Dexter Commercial Hardware® provides you with affordable product solutions for locks, exits and closers for price sensitive projects.

### Value priced deadbolt options to suit your needs

The new, grade 2 drive-in deadbolt is the latest in the Dexter line of quality products offered at a competitive price point. It provides “one-box” flexibility on the job, featuring an adjustable universal latchbolt backset length and both drive-in style collar for metal door applications and square corner faceplate for wood doors. Like all Dexter deadbolts, they come standard with keyed different, 6-pin cylinders in the Schlage C keyway. A drive-in latchbolt conversion kit is also available for use on any DB1000 Series deadbolt.

#### Grade 1
