The value of the rewards program

The Rewards Program is a unique package offered to our Security Integrator Members to earn rewards for purchasing Allegion products. Now, every time you purchase an eligible product from Allegion, you'll earn reward dollars that can be redeemed for gift cards from a variety of merchandisers including Visa, Nike, and Amazon.

It's easy to participate and redeem your rewards dollars! Either utilize our select Partner Wholesalers or Physical Access Control Software Partners to report on your behalf, or submit your own invoices via the rewards program. Those invoices turn into rewards dollars you can view and redeem by logging into the Allegion 360 Portal and clicking on the rewards program tile.
