RE: March 2024 Allegion Price Increase

Allegion is announcing a price increase that will go into effect March 1, 2024 and supersede all other pricing. Due to a variety of factors, including labor and materials costs, Allegion must periodically evaluate and make adjustments in our pricing. The increase percentages* are as follows:

- Residential Hardware Portfolio:
 - Mechanical 3%
 - Electronics 2%

- Commercial Hardware Portfolio:
 - Schlage, Von Duprin, LCN Electronics: 6%
 - Schlage, Von Duprin, LCN Mechanical: 4%
 - Falcon, Dexter: 3%
 - Accessories including Zero, GJ, and IVES 3%
 - Locknetics: 6%
 - Steelcraft/Republic: 3%

**These percentages are averages across each brand at the series level and may be higher, lower or no increase for some products within those brands.*

New pricing can be downloaded from the 360 Portal by January 30, which is 30 days prior to the effective date. Pre-orders for price books will also open that day through the Marketing Resource Center (MRC).
