Guide to formula and competitive grants

The suggest order is based on alignment to Allegion products and maximum funding amounts

Title VIII Impact aid
Type: K-12 formula.

Application: Provides financial assistance to local school districts where enrollments or availability of revenue are adversely affected by Federal activities, i.e., where the tax base of a district is reduced through the Federal acquisition of real property; where there are a significant number of children who reside on Federal (including Indian) lands and/ or children whose parents are employed on Federal property or in the Uniformed Services; or where there is a sudden increase in school enrollment as the result of Federal activities. Most Impact Aid funds are considered general aid. Districts may use the funds in whatever manner they choose in accordance with their local and state requirements.

More information: www.ed.gov/about/offices/list/oese/impactaid/searl.html

Individuals with Disabilities Education Act (IDEA)
Type: K-12 Formula.

Application: Guarantees special education and related services for students who meet the criteria for eligibility in a number of distinct categories of disability. Funds can be used for acquiring appropriate equipment, constructing new or altering existing facilities.

More information: www.ed.gov/about/offices/list/osers/osep/index.html
Fire Prevention and Safety Grants (FP&S)
Type: K-12 and Higher Education Competitive. Special eligibility requirements: local fire departments must apply.

Application: Supports projects that enhance the safety of the public and firefighters from fire and related hazards. Funds can be used to purchase equipment, enhance emergency medical services programs and conduct fire prevention and safety programs.
