Schlage Control™ LE, and NDE wireless locks
Schlage® Control™, LE, and NDE electronic locks

Connect and control more doors.
A whole lot easier than ever before with Schlage wireless locks.

Schlage ND Cylindrical
+ Electronic Features
= Schlage NDE

Schlage L Mortise
+ Electronic Features
= Schlage LE

Schlage B Deadbolt
+ Electronic Features
= Schlage Control™ Smart Locks
Value proposition

Reduce the time and costs associated with managing keys due to frequent turnover

Mitigate risks associated with lost or stolen keys, provides a detailed audit of events

Enhance security with more visibility and control

Increase satisfaction by enabling convenient access to shared spaces

Increase efficiency by enabling updates to occur from virtually anywhere

Integrates seamlessly into existing EAC systems

1 Requires Alliance member software; consult your Allegion rep for details
Popular applications

- Ideal for new construction and retrofit openings
- Indoor/Outdoor rated for perimeter applications

Applications

- Suite entries
- Offices
- IT Rooms
- Equipment rooms
- Conference rooms
- Shared restrooms

- Multi-family
- Student housing
- Senior living
- Military housing

- Common areas
- Amenities
- Storage areas
- Shared spaces

- Residence halls
- Classrooms
- Laboratories
- Administrative offices
- Records rooms

Note: images placed for visual reference; NDE and LE can be interchanged for most applications
Schlage NDE Features

- Suites with Schlage ND Series mechanical and wired electrified options
- Fits standard 161L cylindrical prep
- Installs in minutes with just a Phillips screwdriver
- Weather-resistant design for perimeter applications
- Functions:
  - Storeroom function with Vandlgard®
- 3 popular lever styles
- 9 finishes
- Lever handing is field reversible in seconds, no tools required
- Certifications:
  - ANSI/BHMA A156.25 (Indoor/Outdoor)
  - ANSI/BHMA Grade 1
  - UL 10C (3-hour fire rated), UL294, FCC Part 15, ADA, RoHS, Industry Canada
Schlage NDE wireless cylindrical lock
Built on Schlage ND cylindrical lock chassis
All mechanical features PLUS

Integrated multi-technology reader reads both 125 kHz proximity and 13.56 MHz smart credentials

Built-in Bluetooth® enables wireless configuration from smart phones and tablets

Built-in Wi-Fi enables automatic updates to access rights

Up to 2 years of battery life with 4 AA batteries

Integrated door position sensor requires no additional prep

Built-in No-Tour capability eliminates the need to visit the locks by using smart credentials to update access rights

Mechanical key override compatible with most popular key systems

Image rotated 180°
Schlage LE features

- Suites with Schlage L Series mechanical and wired electrified options
- Fits standard mortise prep
- Installs in minutes with just a Phillips screwdriver
- Weather resistant design for perimeter applications
- Chassis Type/Functions:
  - MS with LED Indicator for Storeroom
  - MB with Interior Push Button & LED for Privacy, Office, Apartment
  - MD with Deadbolt & LED for Privacy & Apartment
- 28 popular lever styles and 2 knobs
- 9 finishes
- Certifications:
  - ANSI/BHMA A156.25 (Indoor/Outdoor)
  - ANSI/BHMA A156.13 Grade 1
  - UL 10C (3-hour fire rated), UL294, ULC S319
  - FCC Part 15, IC RSS-210
  - ADA ICC ANSI A117.1
  - RoHS
Schlage LE wireless mortise lock
Built on Schlage L mortise lock chassis
All mechanical features PLUS

Integrated multi-technology reader
reads both 125 kHz proximity and
13.56 MHz smart credentials

Built-in Bluetooth®
enables wireless configuration
from smart phones and tablets

Built-in Wi-Fi
enables automatic
updates to access rights

Built-in No-Tour capability
eliminates the need to visit the locks
by using smart credentials to update
access rights

Up to 2 years of battery life
with 4 AA batteries

Mechanical key override
compatible with most
popular key systems

- **1-1/4” to 1-1/2” cylinder lengths support 1-3/4” door thickness**
- **1-3/8” to 1-5/8” cylinder lengths support 2” door thickness**
- **1-1/2” to 1-3/4” cylinder lengths support 2-1/4” door thickness**
- Requires 1-1/2” cylinder length - works on all door thicknesses supported by LE (1-3/4” to 2-1/4”)
- Requires 1-3/8” length - supports 1-3/4” to 2” door thicknesses

Additional options available, please refer to Price Book for details.

NDE: LD SAR, JD SAR, JD CO6 and JD YA6

LE: T construction core, HD construction core and BDC disposable core

1. Factory master keyed only.
2. LE cylinder length must be at least 1-1/4”. If retrofit application, please confirm existing cylinder length meets LE requirement.
There are many similarities between levels of security in keyways and credentials; choose the best fit for the application.

</tr>
</thead>
</table>
| High security           | Primus® XP restricted keyway  
  - Highest level of keyway security  
  - Cannot be duplicated without manufacturer’s authorization  
   | Smart card - MIFARE DESFire EVI™  
  - Most secure card available  
  - Advanced data encryption makes duplication nearly impossible  
   | New or existing installations  
  Applications beyond access control including vending, parking, secure printing, and more  
   |
| Restricted              | Everest 29™ restricted keyway  
  - High level of security  
  - Difficult to make unauthorized copies  
   | Smart card - MIFARE® Classic  
  - Secure encrypted data  
  - More difficult to duplicate  
   | Existing installations  
  Migration to MIFARE DESFire EVI™ is recommended  
  Applications beyond access control including vending, parking, secure printing, and more  
   |
| Open                   | Classic keyway  
  - Most common keyway  
  - No restrictions on duplication  
   | Proximity card  
  - Most common credential type  
  - Easily duplicated  
   | Proximity card (NDE & LE only)  
  Existing installations  
  Migration to smart technology is recommended  
   |

Note: Schlage Control is compatible with Smart credentials only.
### Credentials cross reference

Schlage NDE & LE locks work with proximity and smart credentials; Schlage Control with smart credentials only

ENGAGE Apps with Schlage® Control™, LE, and NDE

Manage site from anywhere with ENGAGE™ cloud-based web and mobile applications

- Configure lock settings
- Add new users and enroll credentials
- Manage users and assign access privileges
- New! Set lock schedules, holidays, user schedules
- View & export audits and alerts
- Invite others to assist with administration

Immediate updates
- Send updates at the lock, anytime, with the ENGAGE mobile app.

Automatic daily updates
- Connect locks to the Wi-Fi network for automatic daily updates.

No-Tour via smart credentials
- Use smart credentials¹ to update access rights to the lock.

¹ Requires MT20W enrollment reader
ENGAGE™ cloud-based web and mobile apps

Easy, turn-key solution for multi-family, mixed-use, and commercial properties.
