Overview

When you need a dependable closer for a light or medium-duty commercial application like a small boutique or office, the Falcon SC60A Series fits perfectly. Designed for interior use with aluminum storefronts and mix use complexes, the SC60A Series offers ANSI Grade 1 durability backed by a ten-year warranty. Since the SC60A has the most common hole pattern in the industry, it's a versatile and easy choice for retrofit. The SC60A is another great example of how Falcon provides a solid product at a solid price.

Features and benefits:

- Single piece cast aluminum body
- Fully adjustable sizes 1-5
- Separate adjustable general speed, latch speed and backcheck
- Industry common hole pattern retrofittable to Norton 1600
- Non-handed for left-or right-swinging doors
- Heat treated pinion and steel piston
- Staked valves
- Universal screw pack, now including SRTs screws
- Meets ANSI A117.1
- Certified ANSI/BHMA A156.4, Grade 1
- Cover is UL approved for use in fire rated assemblies
- UL listed and compliant to UL10C and UBC 7-2 (1997)
- 10-year warranty
The right accessories for every job

The non-handed design of the SC60A Series, paired with its mounting position versatility, means you can install this closer just about anywhere depending on the needs of the door opening. A host of arm types and accessories make it easy to fit the demands of a variety of applications.
