Overview

Schlage pushbuttons are used to control the ingress or egress of a door. The 700 Series pushbuttons are easy to install.

Schlage 700 Series entry level pushbuttons are designed to meet commercial applications. Use with indoor swinging or sliding doors that are electrically or electronically locked. 700 Series entry level pushbuttons are available for single gang and narrow stile applications. The 709 model includes backlit buttons with “PUSH TO EXIT” or handicap symbol to meet ADA requirements.

Features and benefits

- Illuminated 2” square large button options or 5/8” and 7/8” round button options
- Optional dual LED status indicators in green and red
- For indoor use
- Momentary switch standard or factory orderable with maintained (alternate action) switch
- Handicapped symbol option
- Single gang or narrow style faceplate cover options
- Satin stainless steel finish
