

## Schlage® advantages

When you choose Schlage® readers and credentials you can feel confident you're making the right decision. We offer unique advantages that help your business thrive and make doing business easier.

### **24 HOUR** shipments

Standard orders of cards and readers are shipped in 24-48 hours.

### **WARRANTY** limited lifetime¹

Know you're protected against defects in materials and workmanship under normal use and service.

### **FAIR** pricing

No upcharges for services that should come standard...like CardTrax™ and our composite material cards that are more durable than ever and eliminate warping from high-heat printers.

### **OPEN** architecture

We secure our access control application sector, but the rest of the sectors are open for you to work with any company you choose.

### **QUALITY** assurance

Quality control measures, advanced equipment and technology, and a no-fault replacement policy protect your investment.

### **MOBILE** solutions today

With Schlage mobile credentials, your customers can use their NFC-enabled smart phone just like an ID card, and in many cases without replacing your existing readers.

## Schlage advantages

### CARDTRAX

card number  
tracking services

Ensure facility code and badge ID combinations are unique and never duplicated on any other cards we make. Compatible with Corporate 1000™.

### SECURE

highest  
encryption  
available

Schlage credentials using MIFARE® DESFire® EV1 offer our highest level of security through the use of mutual authentication, key diversification, and encryption.

### CUSTOM

programming

Program any smart cards and readers with your custom key format and proprietary bit format.

### ENGRAVING

permanent laser

Permanently label ISO and clamshell cards with badge ID information, logos, pictures and text.

## Use Schlage readers along with Schlage credentials

- Simple lineup with only 7 SKUs but all of the technology options you need
- Available in Wiegand and RS-485
- All readers are FIPS 201 compatible by default
- Multi-technology allows for easy transitions from one technology to the next
- Create your own reader label with the custom reader label program
- Color options and custom covers available

<sup>1</sup> Warranty periods different for networked reader keypads, networked magnetic striped read heads, and magnetic stripe credentials.
