

E-Validation on-the-go

Overview

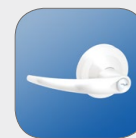

The Schlage Mechanical How-To app is now featuring access to E-Validation! Users with restricted product can now complete validations securely through the web portal and the Schlage How-To app under the “Support” section.

Validations done electronically:

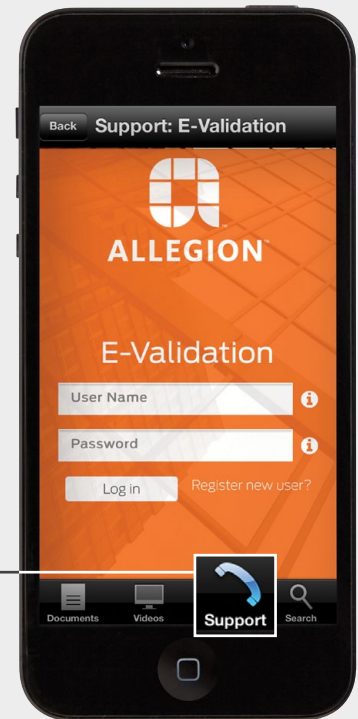

- Save time and hassle by eliminating the need to mail in completed forms
- Allow users to manage who can generate restricted product authorizations
- Provide the capability for users to review all authorization orders
