Allegion Providing Series of Resources for Council of Great City Schools Conference April 22-24

Allegion is Platinum Sponsor

Dublin, Ireland, April 14, 2014 – Allegion PLC (NYSE: ALLE), a leading global provider of security products and solutions, today announced that attendees at the Council of Great City Schools Conference to be held April 22-24 in New Orleans will hear a presentation by Anshu Mehrotra, Allegion Vice President and General Manager-Mechanical Business, and Terry Burgess of Charlotte-Mecklenburg Schools that will cover key aspects of physical security including physical zones, lockdown options and considerations, credential decisions, setting strategy and taking action.

The COO breakout session will be held April 23 at 3:30 PM. Mr. Mehrotra and Allegion Director of Vertical Marketing April Dalton-Noblitt will answer attendees’ questions and offer resources such as school security assessments, CO-220 “try me’s,” credential consultations, funding information and schedules on upcoming seminars and webinars that will help schools improve their platforms.

“Allegion brings approximately 100 years of experience to the area of physical security and access control and we are the advocate for safer schools with our market leading brands and solutions”, Mr. Mehrotra explained. “We actively work with our customers to develop comprehensive security strategies and implement solutions that are secure, strategic and smart for the school”.

“We’re pleased to be a platinum sponsor of this important event and look forward to helping attendees understand the breadth of resources that we can provide to help keep their keep students and staff safe,” added Dalton-Noblitt. “Attendees will especially appreciate our promotion of a free “try me” sample of a CO-220 lock that they can share with their district planners and decision makers.”

Accordin according to Dalton-Noblitt, “This offer aligns with our summer promotion which includes a discount off of key school security products including the new Schlage CO-220 and market leading Schlage ND and L-Series locks with the classroom security functions and lock on/off indicators, along with other products recommended for school safety. Our summer promotion is being supported by Allegion distribution partners who will have all products in stock and available for summer installations.”

The Schlage CO-220 is an affordable, standalone lockdown solution that lets teachers press a button on a remote fob to initiate immediate lockdown in times of crisis from anywhere in their classroom. The remote fob can be conveniently worn around the neck or on the wrist so that it is immediately accessible by teachers and staff. Like many other lockdown solutions from Allegion, the Schlage CO-220 Standalone classroom security lock provides visual lockdown indication from inside the classroom. When the remote fob is pressed, a red flashing light on the inside of the CO-220 lock indicates the lock is secure.
