

MOBILE ACCESS IN HIGHER ED

What you need to know to start your journey today!

To successfully embark on your physical access control journey, it is crucial to lay a solid foundation. Here are the essential steps you need to discuss with your One Card Provider to deploy Wallet-based NFC mobile credentials on your campus.

Benefits to your campus

- ✓ Frictionless student campus experience
- ✓ Increased security - lower risk of misplacing or sharing phones vs. cards
- ✓ Self-provisioning reduces Card Office lines
- ✓ Reduced expenses on cards and printer maintenance
- ✓ Increase in on-campus spending
