Order History

What it does

- Provides net price for direct customers and list price for indirect customers, integrator partners and end-users
- Online Ordering for direct customers
- Automated price updates
- Ability to export price lists and cross-reference guides in Excel
- Configuration and configuration reports, including e-lock configurations
- Request a quote or quote revision from an estimate
- Keying Guide
- Library of pre-built hardware sets

How to get it

- Login or register for <http://360portal.allegion.com>
- Find the Estimate and Order icon and follow instructions to request access
- The Online Ordering team will begin working on your access with your Allegion Sales Representative

Training and troubleshooting

- [Direct user guide](#)
- [Indirect user guide](#)
- [Internal user guide](#)
- Questions or issues should be reported to online.ordering.support@allegion.com for escalation.
