Proptech Alliances

Proptech, or property technology, is the application of technology, products and services in multifamily buildings that provides seamless and convenient experiences for residents, property managers and owners. Proptech reimagines how people live and work in buildings and leverages technology to improve those processes.

Schlage Mobile Access Solutions

The comprehensive Schlage Mobile Access Solution includes the Schlage mobile enabled multi-technology readers and wireless electronic locks and Schlage Mobile Access Credentials. Schlage offers the most complete, secure and flexible mobile access solution available in the industry today.

Allegion creates value by securing people and assets with seamless access:

At home

Multifamily residential and mixed-use properties

At work

Commercial and institutional buildings

In your community

Schools and public buildings

CYBERSECURITY

Learn about Allegion's commitment

Solutions across your entire property

Allegion offers premium, standard and basic solutions for every opening through our comprehensive portfolio. Lever and finish suiting options create seamless design throughout your entire property.

Suiting

Our sales team and spec writing experts can assist you to ensure that lever designs and finishes suite throughout the building for a cohesive look.

For a full view of our suiting capabilities, check out our **Suiting Guide**.
