

**Start Smart with Allegion  
multi-family solutions**

Door and hardware  
consultative services

**We simplify the complex needs of multi-family projects**

- Spec consultation on Divisions 08 and 28
  - We can write complete specifications or consult on your existing spec
- Code consultation on accessibility and fire life safety codes
  - We can assure your project meets all codes and regulations
  - Keep up-to-date on current code issues on our blog, iDigHardware.com
- Submittal reviews and RFAs
  - Review submittals, requests for approval, substitution requests and value engineering
- Pre-installation meetings
  - Review the products specified for the project, train installers and review any issues that arise
- Post-installation inspections
  - Walk the jobsite to review door operation and product installation, for reduced warranty issues, fire door inspection failures and egress door inspection failures
- Overtur™ cloud-based collaborative platform
  - Allows architects and door hardware consultants to come together to collaborate on the design and specification of door hardware

**About Allegion**

Allegion (NYSE: ALLE) is a global pioneer in safety and security, with leading brands like CISA®, Interflex®, LCN®, Schlage®, SimonsVoss® and Von Duprin®.
