Product Release Information: LE Firmware 01.14.01

Product	LE
Version Number	01.14.01
Firmware Release Date	August 2023
Customer Support	For more information or support, visit the ENGAGE website.

Attention:

This document contains the **Release Notes** for LE device firmware version **01.14.01.** This version includes feature updates and improvements made after the LE product firmware 01.13.02 released in February of 2023.

Installation and Update Notes:

Device firmware updates are available through the ENGAGE™ cloud database.

From the ENGAGE web portal, each lock may be independently selected by the site administrator to have the latest firmware downloaded during the next scheduled Wi-Fi connection. Alternatively, the site administrator may connect locally to individual locks with the ENGAGE mobile application to update an LE with the latest firmware.

Firmware versions that will be installed with this update:

- **Main Application   01.14.01**
- **Reader Application   02.16.00**
- BLE Application   02.13.06.327,01.10.03,01-1.7.0
- **Wi-Fi Application: 02.15.0.1**

NOTE: The **BOLD** item(s) are updated from the previous release

Other system components versions to be used with this release: (or newer)
- **Gateway   01.64.04**
- MT20W   40.05.00
- **Android Application 4.7.665**
- **iOS application   3.11.0**
- **ENGAGE   8.3.0**
