

Zero Sealing Solutions: Tailored for Every Journey

Every project has its unique journey. Whether you're navigating high-traffic environments or budget-conscious projects, Zero has the solution to guide you every step of the way. Our offerings include gasketing, thresholds, and a range of accessories designed to ensure that every critical opening operates as intended—minimizing airflow, energy loss, and sound to as close to zero as possible.

The Path of Zero Preferred™

Designed for high-demand environments

Purpose-built for high-use, demanding applications such as schools, hospitals, universities, and other institutional facilities.

Crafted from premium materials, these solutions offer exceptional **DURABILITY** and **LONG-LASTING PROTECTION**, even in challenging conditions.

With innovative designs that maintain tight seals—even when doors are misaligned—Zero Preferred™ delivers **SUPERIOR PERFORMANCE AND PEACE OF MIND** for environments that demand reliability.

The Path of Zero Everyday™

For practical solutions for your opening and budget

Designed for medium to light-duty applications such as multifamily residences, hospitality, retail, and commercial offices.

This series focuses on **AFFORDABILITY**, availability, and ease of installation, featuring **COST-EFFECTIVE MATERIALS** like vinyl gasketing and mill finishes.

Perfect for projects that **REQUIRE RELIABLE, BUDGET-FRIENDLY PERFORMANCE** without compromising quality.

Choosing Your Path:
